ADVISING STUDENTS ON HOW TO BEAT THE ODDS

Welcome, Potential Sponsors!

The Western Association of Advisors for the Health Professions (WAAHP) is excited to celebrate our **fifth** independent biannual WAAHP Conference in Las Vegas April 24-26, 2025!

WAAHP is committed to the professional development of pre-health advisors in our region. Our membership is nearly 300 strong, spanning 13 states plus the Pacific U.S. Territories. Through events including the biannual conference, we share our information and expertise, discuss hot topics, and exchange advising materials and ideas – all for the benefit of our students.

This year we are focusing on “game-winning” advising practices and stories of students beating the odds. We all know of students worth gambling on, and we hope you’ll deal into these conversations about how to best support these future healthcare providers.

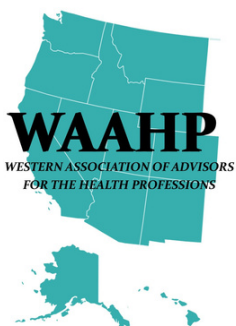

As potential sponsors, we are excited to connect you with health professions advisors, as well as fellow graduate schools and associations, at the WAAHP 2025 Conference. An exciting array of opportunities allows you to showcase your organization to an engaged audience and foster relationships with the health professions community.

We look forward to your partnership as we work to create a fabulous experience for all attendees at the WAAHP 2025 Conference. Please reach out to us with questions or ideas.

Sincerely,

Katherine Brackmann & Kristi Weddige | WAAHP 2025 Conference Chair & Assistant Chair
